DETAILED ACTION

Acknowledged Receipt

1. Receipt is acknowledged of Amendment A, which consists of changes to the drawings, the specification, and to the claims, all of which were filed on November 18, 2003. The above have been considered and entered.

Allowable Subject Matter

2. Claims 1-10 are allowed.

3. The following is a statement of reasons for the indication of allowable subject matter:

4. Although U.S. patents 6,059,626 to Kimura et al; 6,077,140 to Kimura et al; and 6,208,084 to Urakabe et al, all motivate a method similar to Applicants, all are subject to an obligation of assignment to Mitsubishi Denki Kabushiki Kaisha at the time the invention was made. Therefore, the qualifying prior art of record fails to motivate or disclose a method for fabricating a light-emitting display panel that has a transparent front panel, a plurality of pin electrodes projecting from a surface thereof, a rear panel with a plurality of slit-shaped holes and a plurality of recesses that are display cells, with the rear panel positioned parallel to the front panel and a plurality of a pair of cell-type electrodes being position on the surface of the front panel corresponding to each of the plurality of the recesses, with the method comprising, applying frit seal to the plurality of pin electrodes when the rear panel and front panel are pressed against one another using a flat plate so that the rear and front panels contact each other and the pin electrodes penetrates the rear panel through the plurality of slit-shaped holes, with the flat plate having a flat face and each of a plurality of openings formed at a position corresponding to

Art Unit: 2875

each of the plurality of pin electrodes, drying the frit seal to provisionally fix the rear panel to the front panel, detaching the flat plate from the front and rear panels, applying frit seal to end sections of the front panel and aside faces of the rear panel, and burning the frit seal.

5. Any comments considered necessary by the Applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of reasons for Allowance."
